Specs for Patten Gallery Exhibitions

- 2D and 3D artworks are accepted in this exhibition.
- All 2D artworks must be gallery wrapped or framed with wire hardware/D rings preferred (no saw tooth hangers) - Frames must be in good condition
- Artworks should not exceed 24 x 36 inches in any direction, including the frame
- 1 entry per artist, the first 50 entries are accepted.
- Works of art must remain in the Patten Community Gallery for the duration of the exhibition -
- Items not allowed in the museum
 - Soil
 - Live plants or natural plant/flower cuttings (only exceptions are plants/flowers from the florist; stamen from flowers need to be removed)
 - Materials showing evidence of mold, insects, or disease
 - Glitter (includes glitter shedding items – ie glittery pipe cleaners, etc) (glitter glue is allowed) - Prices are not permitted on artworks or labels. If someone is interested in purchasing an artwork, VBMA staff will let them know to contact VBAC directly
- Artworks must meet museum standards and criteria (no artworks that might be reasonably perceived as overly tasteless, hostile, slanderous, provocative, and culturally appropriated in ways that might be offensive)
- All participating artists will need to **sign a release waiver at drop-off**. If you are having someone other than you drop off your artwork, they must arrive with a signed waiver by the artist.

How to Apply: On the VBAC Website under applications. <https://www.verobeachartclub.org/applications> or use the QR code below to sign up on your phone.

Open the photo app on your mobile phone , and the application link will populate as your phone focuses.
